Web Servant: Steve H.

Members working well with Steve to keep meeting information on the website current and up to date. A search for the terms "Wyoming Narcotics Anonymous" on the internet results in WWA coming right to the top through Google. Getting several requests and many addicts and non-addicts are searching the site.

RCM Report: Sue L.

Region has a new logo, WY bucking bronco with NA circle and triangle around it. Regional guidelines have been revised and are on the website. Does the area want to have 2 regional assemblies a year instead of one? Regional Assembly and CAR workshop will be Sat. March 29th in Riverton. Region needs a Sec., AD, and a Treasurer. URMRCNA #9 will be held May 16-18 in Casper, WY at the Ramkota Inn, flyers are out. We will be electing a new convention chair for URMRCNA #10 at the next regional meeting. Next regional meeting to be held in the Wyoming Western Area, would any group like to host it? Asking for reimbursement for flyers, travel to this last regional meeting in Casper, and travel to the regional assembly in the total amount of \$351.87.

GSR Reports:
